- 5. We do not yet know the exact countries to which we will be shipping in 2010. Can we list a few potential locations and finalize the locations later? Is there a limit as to how many of these countries we can list?**

Response: OFR funding is granted based on the programs outlined in your proposal. Please project the regions and countries to which your commodities will be shipped as accurately as possible. There is no limit for the number of countries; however, the countries listed should be based on the planned donations for these countries.

- 6. We will be sending food to our international volunteers, patients, and other clinics. Would the food supply for these beneficiaries/recipients be classified as PL 480 food?**

Response: No. USAID's Title II PL 480 Food for Peace is a separate program. Only non PL480 food can be shipped under OFR. Food cannot be sent to volunteers.
